

Professional Skills on a Personal Level

Nobody Cares What You Have to Say Until They Know You Care About Them

Why Zara Green?

Zara's training produces personal growth and irrefutable personal responsibility; a built-in receptivity for professional development — qualities of great benefit to any organization! An individuality advocate, almost immediately, she gets buy-in and gains trust to effectively train.

1 Hour Quick Fix or Intensive Training

**Always Customized and Within Your Time Frame...
Zara will Get the Job DONE!**

Zara has delivered more than 1,500 presentations; every keynote, seminar, workshop and breakout session is tailored to meet organization's objectives and she always manages to deliver more than promised.

Need a Quick Fix?

Nip it in the Bud

This is Zara's 1 hour, anytime of the day, solution to quickly putting to rest an issue that's brewing under the surface. To protect morale and productivity, nip it in the bud before it spreads like a virus and all team members are involved.

Lunch & Learn

Over a bagged lunch or catered in buffet this, up to 2 hour session, has a single focus.

Need Intensive Training?

Seminars & Workshops

With extensive training experience Zara can customize up to 5 different seminars in a day, create a single focused 1-day workshop or regular maintenance sessions to achieve your objectives.
